I'm running into trouble again, Bill --

I cannot keep this binder going unless you can come by and sign those forms and pay the premium required under the payment plan. Now, because the coverage commenced 12/20/67, we'd need the down payment plus the 1/20/68 installment.

The company wants confirmation of some sort by the end of this week or the binder will lapse.

I recognize your time problems, hope you understand ours.
